

Session Recordings Available for 30-Day Access by Friday, May 23

Available to conference attendees who check-in on-site only, Pri-Med West attendees will be able to access the following CME/CE session recordings after the conference. Some sessions could not be recorded due to copyright compliance. *Note that ABIM MOC points will not be offered for recorded sessions. If you claim credit for an activity at the conference, you may not claim credit for the same activity once it's available on-demand.*
